

# Hall & Oates, Starting All Over Again

Starting all over again is gonna be rough, so rough  
But we're gonna make it  
Starting all over as friends is gonna be rough, on us  
But we gotta face it

We lost what we had  
That's why it hurt so bad  
It set us back a thousand years  
We're gonna make it up  
Though it's gonna be rough  
To erase all the hurt and tears

Starting all over again is gonna be hard  
But I pray that the love will help us make it  
Starting all over again is gonna be slow  
But we both know that we can make it

We gotta take life as it comes  
And never worry about who's right or wrong  
It's an uphill climb  
To the finish line  
We're gonna try to make it  
One more time

Starting all over again is gonna be rough, so rough  
But we're gonna make it  
Starting all over as friends is gonna be tough, on us  
But we gotta face it

Starting all over again is gonna be hard  
But I pray that the love will help us make it  
Starting all over again is gonna be slow  
We both know that we're gonna make it
