

# Hall & Oates, What You See Is What You Get

Some people are made of plastic  
You know some people are made of wood  
Some people have hearts of stone  
Some people are up to no good  
Aaaaah, but baby, I'm for real  
I'm as real as real can get  
If what you're looking for  
Is real loving  
Then what you see  
Is what you get

Ha, whatcha see (whatcha see)  
Is whatcha get (is whatcha get)  
Whatcha see (whatcha see)  
Is whatcha get (is whatcha get)  
I said, what you see (whatcha see)  
Is whatcha get, now baby (is whatcha get)  
And the real thing is the best thing yet  
(Is the best thing yet)

You know some people  
Are made of lies  
To bring you down  
And shame your name  
But baby, I have good intentions  
(Good intentions)  
'Cause breaking hearts just ain't my game  
All I want to do is love you  
And sugar I won't pin you with regret  
If what you're looking for  
Is real lovin' (real lovin')  
Then what you see  
Is what you get

I say again

Whatcha see (whatcha see)  
Is whatcha get (is whatcha get)  
Look at me  
Whatcha see (whatcha see)  
Is whatcha get (is whatcha get)  
I mean, what you see (whatcha see)  
Is whatcha get, now baby (is whatcha get)  
And the real thing is the best thing yet  
(Is the best thing yet)
