

# Halo Friendlies, Flake-O (On My Scalp-O)

heard you were hanging around  
heard you were asking about me  
boy, i never thought i'd see your face  
well, let the sentiments fall where they may  
'cause i'm too tired to cry or even care

if you would have been around  
then maybe i would be around  
but i'll be okay  
yes, i'll be okay

i admit that at times it wasn't fair  
the times you were alone 'cause i wasn't there  
do you remember all the times we had?  
all i can recall was being sad

it's been two years since we were together  
sure, we had some good times  
we shared a milkshake, we shared some fries  
and i thought you weren't  
like all those other guys  
you said you're coming over  
it's a quarter after two  
you know what you are?

you're just a flake-o on my scalp-o!
