

Halsey, Ashley

[Verse 1: Halsey]

Standing now, in the mirror that I built myself
And I can't remember why the decision wasn't mine
But it seems I'm only clingin' to an idea now
Took my heart and sold it out to a vision that I wrote myself
And I don't wanna be somebody in America just fighting the hysteria
I only wanna die some days

[Chorus: Halsey]

Someday, someday, when I burst into flames
I'll leave you the dust, my love
Hope a bit of it'll be enough to help remember the

[Verse 2: Halsey]

Seems like now it's impossible to work this out
I'm so committed to an old ghost town
Is it really that strange if I always wanna change?
And if only the time and space between us wasn't lonely
I'd disintegrate into a thousand pieces
Think I'm makin' a mistake, but if I decide to break

[Chorus: Halsey]

Now, if I figure this out
Apart from my beating heart
It's a muscle, but it's still not strong enough to carry the
Weight of the choices I've made
I told you I'd ride this out
It's gettin' harder every day
Somehow, I'm burstin' out of myself

[Outro: Halsey & Kate Winslet]

(Ooh, ooh)

(Ooh, ooh)

Too many guys think I'm a concept, or
I complete them, or I'm gonna make them alive
I'm just a fucked up girl who's lookin' for my own peace of mind
Don't assign me yours
