

Halsey, GRAVEYARD

it's crazy when
the thing you love the most is the detriment
let that sink in
you can think again
when the hand you wanna hold is a weapon and
you're nothin' but skin

cause i keep diggin' myself down deeper
I won't stop till I get where you are
I keep running /3x

they say I may be making a mistake
I would've followed all the way
no matter how far
I know when you go down all your darkest roads
I would've followed all the way to the graveyard

cause I keep diggin' myself down deeper
I won't stop till I get where you are
I keep running when both my feet hurt
I won't stop till I get where you are
when you go down all your darkest roads
I would've followed all the way to the graveyard

you look at me
whit eyes so dark
I don't know how you even see
you push right through me
it's getting real
you lock the door
you're drunk at the steering wheel
and I can't conceal

cause i keep diggin' myself down deeper
I won't stop till I get where you are
I keep running /3x

they say I may be making a mistake
I would've followed all the way
no matter how far
I know when you go down all your darkest roads
I would've followed all the way to the graveyard

cause I keep diggin' myself down deeper
I won't stop till I get where you are
I keep running when both my feet hurt
I won't stop till I get where you are
when you go down all your darkest roads
I would've followed all the way to the graveyard

it's funny how
the warnings signs can feel like they're butterflies

cause I keep diggin' myself down deeper
I won't stop till I get where you are
I keep running when both my feet hurt
I won't stop till I get where you are
when you go down all your darkest roads
I would've followed all the way to the graveyard
