

# Halsey, Lucky

I am so lucky

Everybody, get in line to meet the girl who flew too high  
Who does it all just to be liked by strangers that she met online  
Did it all to be included, my self-loathing so deep-rooted  
Inner child that's unrecruited, the truth is I'm not suited for it

When I die, I won't have time to spend my money  
But I hope that you still love me

'Cause I'm so lucky, I'm a star  
But I cry, cry, cry in my lonely heart, thinkin'  
"If there's nothin' missin' in my life  
Then why do these tears come at night?" (Why? Why?)

Why they come? Why they come?  
Why they come? Why they come?

And why she losin' so much weight?  
I heard it's from the drugs she ate  
And I feel her, but I can't relate  
'Cause I'd never end up in that state  
A girl like that is a mother  
Must be tough, wildborn child, I was rough  
But what do you do with a difficult grown-up?

When I die, I won't have time to spend my money  
But I hope that you still love me (Da-da-da-da-da)

'Cause I'm so lucky (I'm so lucky), I'm a star  
But I cry, cry, cry in my lonely heart, thinkin'  
"If there's nothin' missin' in my life  
Then why do these tears come at night?"

I shaved my head four times because I wanted to  
And I did it one more time 'cause I got sick (I'm so lucky)  
And I thought I'd changed so much, nobody would notice it, but no one did  
And I left the doctor's office full of tears  
Became a single mom at my premiere  
And I told everybody I was fine for a whole damn year  
And that's the biggest lie of my career

That I'm so lucky (Lucky), I'm a star  
But I cry, cry, cry in my lonely heart, thinkin'  
"If there's nothin' missin' in my life  
Then why do these tears come at night?"  
I'm so lucky (Lucky), I'm a star  
But I cry, cry, cry in my lonely heart, thinkin'  
"If there's nothin' missin' in my life  
Then why do these tears come at night?"

She's so lucky, she's so lucky  
She's so lucky, she's so lucky, she's so  
Haven't you heard?
