

Halsey, More

[Verse 1]

They told me once, nothing grows
When a house ain't a home
Is it true, honestly
When it's all a part of me?
A couple years of waiting rooms
Finding God, and lose Him too
Wanna scream, but what's the use?

[Pre-Chorus]

Lyin' awake, and I stare at the door
I just can't take it no more
They told me it's useless, there's no hope in store
But somehow I just want you more

[Chorus]

I want you more
Somehow, I just want you more
I want you more
Somehow, I just want you more

[Verse 2]

Wooden floors and little feet
A flower bud in concrete
Feelin' so incomplete
Wonder will we ever meet?
And would you know it right away
How hard I tried to see your face?
A little screen, a photograph, mine to take

[Pre-Chorus]

I sit and I stare at your clothes in the drawer
I cry and my knuckles get sore
'Cause I still believe it won't be like before
And now, somehow, I just want you more

[Chorus]

I want you more
Somehow, I just want you more
I want you more
Somehow, I just want you more

[Bridge]

And when you decide it's your time to arrive
I've loved you for all of my life
And nothing could stop me from giving a try
I've loved you for all of my life

[Chorus]

Loved you more
Somehow, I still love you more
Love you more
Somehow, I still love you more

[Outro]

(Loved you more)
(Somehow, I still love you more)
(Love you more)
(Somehow, I still love you more)
