

# Hammerfall, Child Of The Damned

You made me see right past myself, well beyond  
my fears, realized I'm synchronized, far beyond my years  
I'm so geared unto them, I serve unto their souls  
now that I'm addicted, my hunger only grows

I'm a child of the damned, I follow where I go  
rigging to the cross, as holy as a whore  
I'm just a child of the damned

Witches coven, the time has come for those sabbatical  
years, revelation is the message, for all in all to hear  
Prophets slayed, mankind arrayed into mass submission  
evil's here, the lord of hell gives you the proposition

I'm a child of the damned, I follow where I go  
rigging to the cross, as holy as a whore  
I'm just a child of the damned

Give away your life goals, your meaning and ambition  
it means nothing to you, after all it's superstition  
Do not be afraid, the world is near the end  
is it better to rule in hell, than it is to serve in heaven?

I'm a child of the damned, I follow where I go  
rigging to the cross, as holy as a whore  
I'm just a child of the damned
