

# Handshakes And Highfives, Losing The Touch

Killing spree  
There must be a way  
To change your mind  
Cuz that's all there is  
On mine  
There must be a way  
To change your mind  
There must be  
There must be  
A way  
A way  
To change your mind  
Your mind  
I never ever wanted you to feel this way  
I never ever wanted this  
All i really want now is for you to stay  
Please stay with me  
Please stay with me  
I never ever wanted you to feel this way  
I never ever wanted it  
All i really want now is for you to stay  
Please stay with me  
Please stay with me  
You can say it wasn't worth it  
But you know it was  
It was  
You know it was  
You know it was  
You know it  
I never ever wanted you to feel this way  
All i really want now is for you to stay  
Is the really the end of you and i  
The end of you and i  
Just let me say one thing  
This is not  
This is isn't fair  
Is this really the end of you and i  
Is this really the end of you and i  
Just let me say one thing  
This isn't fair  
This isn't fair  
I never ever wanted you to feel this way  
All i really want now is for you to stay  
Please stay with me  
Please stay with me  
I never ever wanted you to feel this way  
To feel this way  
To feel this way  
All i really want now  
Is for you to stay  
Please stay with me
