

# Handsome Boy Modeling School, I've Been Think

Chan Marshall:

Be my boy, be my boy  
Be my boy, be my boy

Be my boy, be my boy  
Be my boy, be my boy

I've been thinking about those things you said  
I've been thinking about those things we did  
I've been thinking about those things you do  
I've been thinking about those things you made me do too

Be my boy, be my boy  
Be my boy, be my boy

I was hypnotized  
By your fairy eyes  
Like a tiger in the dark  
You were hungry from the start

Be my boy, be my boy  
Be my boy, be my boy

Diamonds, candy pills  
One million dollar bills  
You can try  
But you can't buy me, buy me

Diamonds, candy pills

You can try  
But you can't buy me

You can slide slide  
Slippity slide  
Hip hop  
And don't stop  
I'll never be  
On my knees

You can slide slide  
Slippity slide  
You can hip hop  
And don't stop  
'Cause I'll never be  
On my knees

When I saw you on the street  
I just had to look away  
You were so sweet  
Sexy Steez  
Lay back relax  
Street boy please  
Wait a second it's gonna take awhile

I've been thinking 'bout  
Why you act so proud  
I've been thinking 'bout  
What's this shit about  
Am I losin' control  
Am I losin' my soul  
Just tell me am I losin' you

Be my boy, be my boy  
Be my boy, be my boy
