

Handsome Devil, I Fall Down

You kiss me, I fall down
Dismiss me Tinsletown
Stay close till I come around
You kiss me, I fall down

CHORUS

Yeah - I Fall Down
Yeah - I Fall Down
Yeah - I Fall Down
Yeah - I Fall Down

Lost Angel in my heart
I just might fall apart
Arrest me in Your lounge

CHORUS

You kissed me in the way - You never should do

You kissed me in the way - You never should do
Baby Oh
You Kiss me, I fall Down
Dismiss me Tinsletown
Stay close till I come around
You kiss me I fall down

CHORUS
