So you want to be a superstar here's a big big kiss
You want a mess like this 'cuz its the real deal bliss
You got a face like this boy now you just cant miss
Your smokin cheap cigars and drinking beer like piss Well
I'm not me I'm not free
You're not me You're not free

I got a six pack and an 80 proof fist

CHORUS

I get it, it's funny, You know I'm makin money
Not summer, But sunny, Cool like the Easter Bunny
