Hangnail, Double Standard

I've tried and tried to understand what What you've been thinking So where's your pride when your security is self-seeking

Misleading on You're an example leading kids astray So carry on Don't you count on any help from me

(Chorus)

Can't you see that your life's breaking It's what you wanted, I don't think so Are these walls that you've been making What you wanted, do you even know (End Chorus)

When you fall down if you need me I'll be waiting You convict yourself maintaining your integrity

(Repeat Chorus)

(Repeat Chorus)
