

# Hank Ballard & The Midnighters, Finger Poppin' T

Hey now, hey now  
Hey now, hey now  
It's finger, pop, poppin' time  
Finger poppin', poppin' time  
I feel so good  
And that's a real good sign

Here comes Mary  
An here comes Sue  
Here comes Johnny and Bobby, too  
It's finger, pop, poppin' time  
I feel so good  
And that's a real good sign

Here comes Mary  
Here comes Sue  
Here comes Johnny and Bobby, too  
It's finger, pop, poppin' time  
I feel so good  
And that's a real good sign

Hey now, hey now  
Hey now, hey now

It's finger, pop, poppin' time  
Finger poppin', poppin' time  
I feel so good  
And that's a real good sign

Everybody, poppin'  
Finger poppin'
