

Hank Locklin, Cry Cry Darling

Cry cry darling that's what I do if you'd leave me with the blues
Cry cry darling that's all I do if it's you I should lose
For me there'd be no moonlight if ever we should part
Cry cry darling that's what I do cause you're the one in my heart
[guitar]

My eyes will cry and never dry if you should go

[guitar]

When shadows creep I'll just weep all night I know

You know how much I'd miss you if ever we should part

Cry cry darling that's all I do cause you're the one that's in my heart

Cry cry darling that's all I do cause you're the one in my heart
