

Hank Locklin, I Love You Because

I love you because you understand dear every single thing I try to do

You're always there to lend a helping hand dear

I love you most of all because you're you

No matter what the world may say about me

I know your love will always see me through

I love you for the way you never doubt me but most of all I love you cause you're you
(piano)

No matter what may be the style or season I know your heart will always be true

I love you for a hundred thousand reasons but most of all I love you cause you're you
