

# Hank Locklin, Why Baby Why

Tell me why baby why baby why baby why  
You make me cry baby cry baby cry baby cry  
Well I got a crow I wanna pick with you just like last time when the feathers flew  
You're running wild a kickin' up your heels a leavin' me home with a handful of bills  
I can't live without you and you know it's true  
But there's no livin' with you so what'll I do  
I'm goin' honky tonkin' get as tight as I can  
And maybe by then you'll appreciate a good man  
Tell me why baby why baby why baby why  
You make me cry baby cry baby cry baby cry  
I can't help but love you till the day that I die  
But tell me why baby why baby why baby why  
( steel )  
Well I don't know but I've heard you say  
That ev'ry little dog is gonna have his day  
You better pay attention don't you dare forget  
Cause I'm just a little bitty puppy yet  
I caught you honky tonkin' with my best friend  
Oh why you should've done he put you away back then  
Now I'm too old to leave you but I still get sore  
When you come home a feelin' for the knob on the door  
Tell me why baby why...
