

# Hank Snow, Any Old Time

Any old time you wanna come back home  
Drop me a line and say no more you'll roam  
You had your chance to play the game fair  
When you left me sweetheart you only left a load of care

Now that you're down I'm going to stick by you  
If you will only say your roamin' days are through  
Well now you'll find me right here like the day you left me alone  
Any old time you wanna come back home  
[ trumpet + clarinet ]  
Any old time you wanna come...
