

Hank Snow, Come Live With Me

Come live with me and be my love share my bread and wine
Be wife to me be life to me be mine
Come live with me and be my love let our dreams combine
Be mate to me be fate to me be mine

With these hands I'll build a roof to shield your head
Yes and with these hands I'll carve the wood for a babybed
Oh come live with me and won't you be my love so I can love you all the time
Be part of me be the heart of me be mine

[guitar]

I'll try to do my best for you I promise you
And I'll laugh with you and I'll cry with you my whole life through
Oh come live with me and won't you be my love share my bread and wine
Be part of me be the heart of me baby please be mine
