

# Hank Snow, Cross The Brazos At Waco

Cross the Brazos at Waco ride hard and I'll make it by dawn  
Cross the Brazos at Waco I'm safe when I reach San Antone

On the Chisholm Trail it was midnight Carmela was strong on his mind  
Because of the life he have chosen Carmela had left him behind  
Too long he'd been el bandito Carmela had left him alone  
But today someone brought a message she'd been seen in old San Antone

Then the night came alight with gunfire he knew that at last he'd been found  
As the ranger's bad shoot rightly el bandito laid on the ground  
Carmela she knew he was dying that all of her dreams were in vain  
As she kissed his lips for the last time she heard him whisper again
