

Hank Snow, Follow Me

It's by far the hardest thing I've ever done
To be so in love with you and so alone

Follow me where I go what I do and who I know
Make it part of you to be a part of me
Follow me up and down all the way and all around
Take my hand and I will follow too

It's long been on my mind you know it's been a long long time
I'll try to find a way that I can make you understand
The way I feel about you just how much I need you
To be there where I can talk to you when there's no one else around
Follow me where I go...

You see I'd like to share my life with you and show you things I've seen
Places where I'm going to places where I've been
To have you there beside me and never feel alone
And all the time that you're with me then we will be at home

Follow me where I go what I do and who I know
Make it part of you to be a part of me
Follow me up and down all the way take my hand and I will follow too
