

# Hank Snow, Green Green Grass Of Home

(It's good to touch the green green grass of home)  
The old hometown looks the same as I step down from the train  
And there to meet me is my mama and papa  
And down the road I look and there runs Mary  
Hair of gold and lips like cherries  
It's good to touch the green green grass of home

Yes they'll all come to meet me arms areaching smiling sweetly  
It's good to touch the green green grass of home

The old house is still standing though the paint is cracked and dry  
And there's that old oak tree that I used to play on  
Down the lane I walk with my sweet Mary  
Hair of gold and lips like cherries  
It's good to touch the green green grass of home

And then suddenly I awake and look around me  
At these cold grey walls that surround me  
And as then that I realize that I was only dreaming  
For there stands a guard and there's the sad old padre  
Arm in arm we'll walk at daybreak  
And once again I'll touch the green green grass of home

Yes they'll all come to see me in the shade of that old oak tree  
As they lay me neath the green green grass of home
