

# Hank Snow, Hula Rock

Hawaii's callin'

When I hear the rhythm of the hula rock hula rock

In the South Pacific where the trade winds blow

They thought that the hula was a little bit slow

So they stepped it up with a go go go

And that's where they got that rock and roll

In the South Pacific now they're gettin' with it on the beach at Waikaki

And it's a lula when they try the hula with a rockin' rollin' beat

Rockin' and a rollin' in Waikaki rockin' and a rollin' in Waikaki

Rockin' and a rollin' in Waikaki rockin' and a rollin' in Waikaki

Don't stop just let her rock

[ guitar ]

Take me back where the trade winds blow

To the land of the hula where they never get old

And the gooney birds dance with a go go go

And the natives join in with a rock and roll

With me it's a riddle how they break in the middle and yet stay on the beat

But I wanna sway with 'em when I hear the rhythm of the rockin' hula beat

[ steel ]

Rockin' and a rollin' in Waikaki...

Hawaii's callin'
