

# Hank Snow, (I'd Be A) Legend In My Time

If heartaches brought fame in love's crazy game  
I'd be a legend in my time  
If they gave gold statues for tears and regrets  
I'd be a legend in my time

But they don't give awards and there's no praise or fame  
For a heart that's been broken over love that's in vain  
If loneliness meant world acclaim then everyone would know my name  
I'd be a legend in my time

(vibes - guitar)

(But they don't give awards and there's no praise or fame)  
For a heart that's been broken over love that's in vain  
(If loneliness meant world acclaim then everyone would know my name)  
I'd be a legend in my time
