

Hank Snow, My Religion's Not Old-Fashioned

There's but one real religion
That redeems the sinners' soul
It's as timeless as the ages
And it never will grow old

My Lord gave the key to Thomas
And the Way the truth aligned
And the Way has never changed
Since He spoke the word that night.

CHORUS

My religion's not old-fashioned
But it's real genuine
Two and two make four today
As it did in my Lord's time
Modern days don't make a difference
You can't alter truth in time
My religion's not old-fashioned,
But it's real genuine

In this world of wild confusion
We are often led astray
When we hear the word old-fashioned
As men speak of God today

My Lord doesn't deal in fashions,
He's more timeless than the seas
And His words still hold the power
As they did at Galilee

CHORUS

My religion's not old-fashioned
But it's real genuine
Two and two make four today
As it did in my Lord's time
Modern days don't make a difference
You can't alter truth in time
My religion's not old-fashioned
But it's real genuine

Some are prone to take the Bible
And dilute the words of Christ
They admit He came here one time
But will never make it twice

Be not tempted by those prophets
He said such men would arise
There is darkness in their teaching
But there's light through Jesus Christ

CHORUS

My religion's not old-fashioned
But it's real genuine
Two and two make four today
As it did in my Lord's time
Modern days don't make a difference
You can't alter truth in time
My religion's not old-fashioned
But it's real genuine
