

# Hank Snow, Now Is The Hour

Now is the hour when we must say goodbye  
Soon you'll be sailing far across the sea  
While you're away oh then remember me  
When you return you'll find me waiting here

[ steel ]

Sunset glow facing the west night o'er the valley is creeping  
Birds cuddle down in their nest soon all the world will be sleeping  
And now is the hour...
