

Hank Snow, Peach Picking Time Down In Georgia

When it's peach picking time in Georgia apple picking time in Tennessee
Cotton picking time in Mississippi everybody picks on me
When it's roundup time in Texas the cowboys make whoopee
And way down in old Alabama it's gal picking time for me

There's the bluegrass down in Kentucky Virginia's where they do the swing
Carolina now I'm a coming to you come and just to spend the spring
Arkansas I hear you calling I know I'll see you soon
That's where we'll do some picking beneath the Ozark moon
[fiddle]

When the pickininees pick the cotton that's the time I pick a wedding ring
We'll go to the town to pick a little gown for the wedding in the spring
Hope the preacher knows his business I know he can't fool me
When it's peach picking time in Georgia it's gal picking time for me
