

# Hank Snow, Pins And Needles

Written by Fred Rose  
Recorded by Hank Snow

[G]I know not where on earth to find you  
I know not how or when to start  
I only know I'm here with[C]out you  
I've got [D7]pins and needles in my [G]heart

[G]The days and nights are growing longer  
Since first you said that we must part  
I only know I can't for[C]get you  
With these [D7]pins and needles in my [G]heart

[G]I always see your face before me  
Your smile is heaven's work of art  
But now you're smiling at an[C]other  
And there's [D7]pins and needles in my [G]heart

[G]Sometime somewhere we'll meet again dear  
Then love will make the teardrops start  
Someday you'll know how long I've [C]waited  
With these [D7]pins and needles in my [G]heart
