

# Hank Snow, Poison Love

Into each life a love is born for one and one alone dear  
The love I chose was surely not for me  
All your poison love has stained the life blood in my heart and soul dear  
And I know our love was never meant to be

All your poison love has stained the life blood in my heart and soul dear  
And I know my life will never be the same  
All my pleas and prayers have been in vain for you and you alone dear  
And you know that you are guilty of a shame

But still my heart cries out for you and you alone my darling  
And fate will never ever let me go  
But my pleas and prayers have been in vain for you and you alone dear  
And my better judgement tells me to say no

All your poison love has stained the life blood in my heart and soul dear  
And I know my life will never be the same  
All my pleas and prayers have been in vain for you and you alone dear  
And you know that you are guilty of a shame
