

Hank Snow, Send Me The Pillow That You Dream

Send me the pillow that you dream on
Don't you know that I still care for you
Send me the pillow that you dream on
So darling I can dream on it too

At night while I'm sleeping oh so lonely
I share your love in dreams that once were true
(Send me the pillow that you dream on)
So darling I can dream on it too

[steel]

Send me the pillow that you dream on
Maybe time will let our dreams come true
Send me the pillow that you dream on
So darling I can dream on it too

I've waited so long for you to write me
But just memories are all I have of you
(Send me the pillow that you dream on)
So darling I can dream on it too
