

Hank Snow, Senorita Rosalita

Rosalita my Rosalita

Are you waiting for me just as you promised me you would

Rosalita senorita Rosalita

I'd climb back tonight to you like a seagull if I could

The ship that I was stationed on docked on the shores of Spain

The night I met Rosalita I knew my heart could never be the same

Before the night was over she promised she would wait for me

We danced until the break of dawn I held her close and kissed her tenderly

Rosalita my Rosalita...

[guitar]

And then too soon the time had come for us to say goodbye

I left her on the shores of Spain she waved until my ship went out of sight

The sweet caresses that we shared within my lonely heart still burn

Longing for the time to come when I can say my love I have returned

Rosalita my Rosalita...
