

Hank Snow, She Wears My Ring

She wears my my ring to show the world that she belongs to me
She wears my ring to show the world she's mine eternaly
With loving care I place it on her finger
To show my love for all the world to see

(This tiny ring is a token of tender emotion
An endless fool of love that's as deep as the ocean)
She swears to wear it with eternal devotion
That's why I sing because she wears my ring
[guitar]
She swears to wear it...
