

# Hank Snow, Sing Me A Song Of The Islands

Sing me a song of the islands  
My serenade that the trade winds blow  
Sing me a song of the islands  
Where hearts are high and the moon is low

Where wripling waters seem to say Aloha au-i-o-ei  
Bring me the frangrance of ginger  
Strum your guitars while I dream away  
Then sing me a song of the islands Aloha au-i-o-ei  
[ steel ]  
Where wripling waters seem to say...
