

# Hank Snow, Somewhere My Love

Somewhere my love there will be songs to sing  
Although the snow covers the hope of spring  
Somewhere a hill blossoms in green and gold  
And there are greens all that your heart can hold  
Someday we'll meet again my love someday whenever the spring breaks through  
You'll come to me out of the long ago warm as the wind soft as the kiss of snow  
Laura my sweet think of me now and then not sleep my love till you are mine again  
Not sleep my love till you are mine again
