

Hank Snow, The Greatest Sin

Words & Music by Hank Snow

Did I commit the greatest sin,
Was it on my wedding day,
I married someone else not you?
I thought I'd spied you there that day.
We quarrelled, and I took the ring that you gave back to me, And gave it to
somebody who
has loved me faithfully.
I married her, But I love you, And I know you love me too.
Mine is the Greatest sin because,
I ruined her life mine and yours
