

Hank Snow, The Next Voice You Hear

Words & Music by Cindy Walker
Recorded by Hank Snow

The next voice you hear will be your conscience
As you lie awake and try so hard to sleep.
And your unfaithful heart will have to listen
To those shabby little secrets that you keep!
You'll be tormented like you tormented me!
And the tears of shame will fall with ev'ry memory!
But the next voice you hear will make you listen
Till you wish that you had listened to me!
You'll be tormented...
(And you'll wish that you had listened to me)
