

# Hank Snow, Then I Turned And Slowly Walked A

Recorded by Hank Snow

C F  
I saw you last night, again, darlin'  
C G7  
And you seemed just as lovely to me  
C F  
I watched as you danced with a stranger  
C G7 C  
And you seemed just as happy as he

G7 C  
I watched as you smiled with a stranger  
G7 C  
And since you seemed happy and gay  
C F  
I watched thru a mist in my eyes, dear  
C G7 C  
Then I Turned And Walked Slowly A- way.

I saw you last night, again, darlin'  
And I cried, dear, all night until dawn  
A new love has come to your heart, dear  
And an old love has faded and gone.

I hope, dear, that you will be happy  
There's nothin' more left now to say  
I saw you last night, again, darlin'  
Then I Turned And Walked Slowly Away..
