

# Hank Snow, Unfaithful

Unfaithful unfaithful the whole town knows  
You're breaking my heart secretly  
Unfaithful unfaithful your cheatin' shows  
You care for me so carelessly

You take any chance for a new romance  
They whisper wherever you go  
Unfaithful unfaithful your lies go on  
While I go on loving you so  
[ fiddle - guitar ]  
You take any chance...
