

# Hank Snow, Wasted Love

Words & Music by Hank Snow

You said goodbye and left me broken hearted,  
You little knew the pain 'twould cause to me,  
Those days we shared, sweetheart can never be forgotten,  
'Twas Wasted Love but sweet the memory.

## CHORUS

Wasted Love and dreams of you.  
A broken heart, and oh, so blue.  
I gave my all, you gave me heartaches,  
'Twas Wasted Love, but sweet the memory.

I should have known it from the start, my darling  
But love is blind, and so I did not see,  
I freely gave to you my only heart and soul, dear,  
'Twas Wasted Love but sweet the memory.

## CHORUS

I thought some day my dreams would all come true, dear,  
We'd be together as in the used to be,  
But it's too late my ev'ry hope must be forgotten,  
'Twas Wasted Love but sweet the memory.

## CHORUS
