

Hank Snow, Within This Broken Heart Of Mine

Written by Walker - Stuart - Newman

Recorded by Hank Snow

Deep within this broken heart of mine,
All I find is memories of you;
And I'll never get you from my mind,
Can't seem to realize, our love was through.

Now there's all my future plans to rearrange,
And I don't know how to make the change;
For within this broken heart of mine,
All I find is memories of you

Darlin' it was just a year ago;
You said I'd soon get over lovin' you.
Now I'm writing, just to let you know;
You were wrong, now please tell me what to do.

Now there's all my future plans to rearrange,
And I don't know how to make the change;
For within this broken heart of mine,
All I find is memories of you
