

Hank Snow, Wound Time Can't Erase

Have you found since you turned me down
The one who you were searching for
Are you glad that you made me sad
For you know I vowed to love you ever more

What did you have in mind when you broke this heart of mine
Are you laughing in my face
Darling what can I do when you say we are through
You've left the wound time can't erase

[guitar]

Tell me dear are you satisfied to be foot loose and fancy free
Is it power you want for the things that you have done
What you've gained I guess I'll never see

(What did you have in mind when you broke this heart of mine
Are you laughing in my face)
Darling what can I do when you say we are through
You've left the wound time can't erase
You've left the wound time can't erase
