

Hank Thompson, Give A Little Take A Little

Give a little take a little take a little kiss from me
Take a little give a little give a little kiss to me
You're the one the only one the girl I'm thinking of
Now don't you be afraid let's make a little trade
Let's give a little take a little love
Give a little take a little won't you give your heart to me
Take a little give a little I will give you mine you see
Don't be shy you know that I am true as the stars above
So come into my arms let's share each other's charms
Let's give a little take a little love
[fiddle - guitar]
Give a little take a little take...
