

Hank Thompson, Lovin' On Back Streets

LOVIN' ON BACK STREETS

(Hugh King)

'72 Milene Music

We tried to pick the most unlikely places
Where no one's out to know us by our name
And for a while we shared the sweet affection
That makes it worth the sorrow and the shame
A lovin' on back streets and livin' on main
Suffered hell through the daylight for the heaven darkness brings
Two hearts in the shadows tradin' passion for pain
A lovin' on back streets and livin' on main
In the morning when I face the one who owns me
And she confronts me with some things I can't explain
Then once again I hate myself for living
And wonder just how long my mind can stand this strain
A lovin' on back streets...
Lovin' on back streets and livin' on main
