

Hank Williams, A House Without Love

Recorded by: Hank Williams, Sr.

Writer: Hank Williams, Sr.

CAPO: 4th FRET/KEY: B/PLAY: G

[G] For years we both have lived on pride, [D7] dear

And we agree that love is [G] gone

Why, oh why do we keep [D7] tryin'

A House Without Love is not a [G] home. [G7]

The [C] lovelight in your eyes has [G] faded

And I'm contented just to [D7] roam

We [G] slaved to gain a worthless [D7] treasure

A House Without Love is not a [G] home.

No matter where our footsteps wander

I know we'll both be all alone

With the pride that came between us

A House Without Love is not a home.

The simple things have gone forever

We wanted wealth to call our own

And now we've reached the hour of parting

A House Without Love is not a home.
