Recorded by: Hank Williams, Sr.

Writer: Ernest Tubb

CAPO: [G] st FRET/KEY: G#/PLAY: G

[G] I'm Free At Last from [C] love and all its' [G] worries

I'm Free be-[D7] cause you wanted it that [G] way

Now you can go but [C] there's no need to [G] hurry

'Cause ne'er a-[D7] gain will I ask you to [G] stay. CHORUS

So run a-[C] long, I know that you don't [G] want me

So many [D7] times you've proved that in the [G] past

After you're [C] gone, when mem'ries come to [G] haunt me

I'll hide my [D7] tears and say I'm Free At [G] Last. I'm Free At Last don't ask me why I'm cryin'

Strange as it seems, somehow I love you yet

Don't say you care, you know that you'll be lying

Don't hurt me more, show my heart some respect.

CHORUS
