CAPO: 4th FRET/KEY: B/PLAY: G
[G] All my [D7] life I've been so [G] lonesome [G7] If [C] happpiness came, I missed the [G] call [C] All my dreams have died and [G] vanished And [D7] now I'm So Tired Of It [G] All.

In life and love, I've been a failure Too many tears thru it all Too many broken vows and promises And now I'm So Tired Of It All.

Ev'ry thing I loved, I lost, dear Too many times I've watched my castles fall My life is full of regretting And now I'm So Tired Of It All.

From this world I'll soon be goin' No one will miss me, after all Up there, I pray I'll find contentment But now I'm So Tired Of It All
