

Hank Williams III, Hellbilly

Well hey there mister man,
what's that you say
Well you don't like our style
and you say that we're out of date

With a little bit of hellbilly country music
a little bit of hellbilly country music
a little bit of hellbilly coming your way

I'm a little hellbilly
I'm a little hellbilly

Well I's raised on a farm
and I drive my truck
and I milk them cows
and I don't give a fuck

Drink my wine
nine to five
catch catfish
and I like to fight

I'm a little hellbilly
I'm a little hellbilly

Well I'm doing my time
and I drive my truck
and I don't give a fuck
when I'm stuck in the mud

Drink my beers
raise my steers
I like country music
and I love Webb Pierce

I'm a little hellbilly
I'm a little hellbilly
