

# Hank Williams III, Lonesome for You

I don't need nobody  
to call me on the phone  
I don't need no company  
I'd rather be alone  
I'm just happy by myself  
here being blue  
I'm not lonely,  
I'm just lonesome for you  
When my friends come,  
I don't care if they stay  
When they talk to me,  
I don't care what they say  
You're still gone so darlin'  
there ain't nothing new  
I'm not lonely,  
I'm just lonesome for you

I'll just be lonesome  
without you here  
'cause there ain't no one  
I love like you dear  
Thinkin' of you  
is all I ever do  
I'm not lonely,  
I'm just lonesome for you

Any comfort I find  
these days is small  
Everybody tries  
but nothing helps at all  
They'd just give up  
before they started if they knew  
that I'm not lonely,  
I'm just lonesome for you

I'll just be lonesome  
without you here  
'cause there ain't no one  
I love like you dear  
Thinkin' of you  
is all I ever do  
I'm not lonely,  
I'm just lonesome for you  
I'm not lonely,  
I'm just lonesome for you
