

Hank Williams III, One Horse Town

Ah Yodel-ay-heeee he-he-he
Ah Yodel-oh-hooo hoo-hoo-hoo
Ah Yodel-ay-heeee he-he-he
Well my hat's done worn out
my boots are bad
I ain't got a gun
but I wish I had
And I'm down
in a one horse town
My gal done left me
the other day
Said I didn't bring home
enough of that pay
And I'm down,
in a one horse town
But I'm doin' fine,
I'm doin' ok
I think I might get by
just one more day
Well when you get low down
you got nothin' to lose
All you can do
is start singin' the blues
When you're down,
in a one horse town
I drank on Tuesday
until I fell down
I woke up on Wednesday
and you weren't around
And I'm down,
in a one horse town
But I'm doin' fine
I'm doin' ok
I think I might get high
just one more day
