

# Hank Williams III, Walkin' With Sorrow

Well walkin' with sorrow  
through a lonely day  
with those empty bottles  
tryin' to ease my pain

I'm still here drinkin'  
over the good ol days  
when I had my gal  
and everything was ok

(Yodeling)

is a lonely way  
with those empty bottles  
tryin' to ease my pain

I'm still here thinkin'  
about the good ol days
